Bahrain, you're my treasure
Bahrain, you build my future
People come here to learn
People come here to earn

A small kingdom that promotes freedom
A land full of sand
A land that helps the birds fly
A land that guides the blind.

You're the country of luck
Our great ancestors found,
Your foundation is sure
Our tomorrow's secure.

*Bahrain, you're my treasure
Bahrain, you build my future
People come here to learn
People come here to earn*

*A small kingdom that promotes freedom
A land full of sand
A land that helps the birds fly
A land that guides the blind.*

*You're the country of luck
Our great ancestors found,
Your foundation is sure
Our tomorrow's secure.*
